<sup>1</sup>Does not include stations. Many of these locations no longer have post offices but their names may be used for addressing mail.

<sup>2</sup>Post office is located in the city shown in parenthesis. ZIP code is listed as “acceptable” on USPS website.

<sup>3</sup>Indicates multicoded city. To determine last 2 digits of ZIP code for any specific city street, consult the local post office. The ZIP code given is the general delivery ZIP code for the city.
