WISCONSIN STATE DOCUMENT DEPOSITORY LIBRARIES

Most of the data presented in the Statistical Section of the *Wisconsin Blue Book* are based on publications issued by the federal government and Wisconsin state agencies. Persons wishing to consult the original sources for further information may find them at one of following depository libraries or may borrow many of them from libraries throughout the state on interlibrary loan. State level and regional depository libraries are designated to receive all publications printed at state expense. Selective depository libraries receive a more limited distribution of major publications.
