PUBLIC SERVICE COMMISSION

Omnibus Motion  
[LFB Papers #660, #665, and #666]

Motion:

Move to adopt the following provisions:

**Broadband Provisions**

1. *Broadband Expansion Grant Program (Paper #660)*. Adopt Alternative 1, which creates a continuing GPR appropriation and provides \$750 million one-time GPR in 2023-24 to support the state broadband expansion grant program. Specify that PSC must award no less than 10% of the 2023-24 appropriation amount (\$75 million) in each fiscal year beginning in 2023-24. Specify that if PSC does not receive sufficient applications to meet the minimum required allocation, the Commission must award the maximum amount possible in that fiscal year based upon grant applications received. Additionally, adopt Alternative 4, which provides \$80,300 PR in 2023-24 and \$102,900 PR in 2024-25 with 1.0 position to support administration of the state broadband expansion grant program.

**Departmentwide and Utility Regulations**

2. *Cybersecurity Positions (Paper #665)*. Adopt Alternative 1 which provides \$173,400 PR in 2023-24 and \$222,500 PR in 2024-25 with 2.0 positions in PSC's Office of Business and Information Technology Services to support cybersecurity activities.

3. *Engineering Modeling Software (Paper #666)*. Adopt Alternative 1 which provides \$170,000 PR each year in ongoing budget authority for licensing and associated costs of advanced engineering modeling software.
